Winter Carnival--Past and Present

The only record of winter carnival before W W II is a battered cup that is dated 1939. In 1948, the carnival was sponsored by the WAA, Ski Club and ACE Outdoor activities. Since there was no snow, an indoor program was held. In 1949, there was even tennis during the weekend!

For this reason, one of the more important committees has been the snow committee. Their job is to make offerings to "Altha, god of snow", and do their darndest to get snow. (Any old skis which can be used as a sacrifice will be appreciated.)

Since 1950 the winter carnival has been sponsored by the Outing Club. Every year it has proven to be more successful. The carnival has been lucky to have snow for the past few years. Last year, there wasn't any too much—but the carnival was still very successful.

This year, we hope, will be one of the best years of all. Your taking part in it can make it so—so get out and take part in everything you can. We'll be seeing you!

Lower Field Events

Upper field events will be held on the upper field Friday, February 20, from 3:30 to 5:30 P. M.

1. **Human Dog Sled Race**—Each team is composed of eight students and one faculty member. The eight student "dogs" will pull a dog sled which a faculty member rides or drives. Three points are given for each faculty participant. Faculty participants may be one, two or three. Any organization or group may enter as many teams as possible.

2. **Geshmozzle**—The course is laid out in an hour glass form on flat land. Racers must go through the neck in order to win or place. The race is run on skis, but NO POLES are used.

3. **Snowshoe Race**—This race is on two snowshoes and is a short distance run on a level surface.

Sock Dance

The Winter Carnival Sock Dance will be held in the HPER Gym on Friday night, February 20, from 8:00 to 11:00. Wear ski clothes and fancy socks. Prizes will be given for the craziest socks and the most unusual socks.

This dance will be drag or stag. There will be square and folk dancing with a guest caller, as well as the usual social dancing.

At this time the King and Queen of Winter Carnival will be announced.

Ski Slope Events -- Greek Peak

On Saturday afternoon of Winter Carnival Weekend, students are provided transportation to Virgil ski slope. At Virgil, they may participate in a variety of events that will provide an afternoon of enjoyment and relaxation for all.

Flying Saucer—racing downhill on saucers (sometimes the seat of your space suit). Events will be held for women and men. Heats will be run with the first and second places in each heat qualifying for the final heat.

Downhill Slalom—attempt skillful maneuvering around flags, not over them. There will be competition for men and women.

Three Legged Ski Race—two people racing together with arms around each other's waist. A ski must be on the outside foot of each member of the team. Team members must cross the finish line with the ski on the outside foot, intact.

Snowshoe Obstacle Race—the race will be run on snowshoes, which will be supplied on entry. The course will take entrants through meadow and woods.

Silver

Silhouettes

"Silver Silhouettes"

The formal dance "Silver Silhouettes" will be held in Brockway Hall on Saturday, February 21, 1959. The dance will feature Nelson Dunham and his orchestra. Attire will be semi-formal. Dancing will be from 9:00—12:00 P.M.

During the evening the King and Queen will be crowned and the awards for the snow sculpture and the team honors will be presented.

King and Queen

Who will be the Royal Couple to reign over the biggest winter weekend here at C.S.T.S.? It is up to you, "the student body" to answer this question. Candidates are nominated by living units. The finalists are chosen by a faculty committee and then an all school vote will be held. When voting, keep in mind a person with poise, personality, and an interest in winter sports.

The King and Queen will be announced Friday at the Sock Dance and from that moment their royal reign begins.

Notes on Clothing, Safety and Such

1. Dress warmly for outdoor events—wear several layers of light clothes (wool if possible) with a wind breaker on top. Shed the layers one at a time as you begin to perspire. Wear mittens or gloves (mittens are better). Wear boots or overshoes and WOOL socks.
2. Report all accidents immediately to the faculty member or student in charge. First aid will be available at all times.
3. At Greek Peak, please do not park so as to block the road from the slope to the main road. This is a safety measure to insure the speedy passage of an injured person. Toboggans at Greek Peak are NOT to be used.
4. Participate in as many events as you can—it's more fun than watching.

Rules

1. There will be women's and men's races for each event.
2. Instruction will be given on how to use sports equipment (snow shoes, etc.)
3. First aid is provided.
4. All participants must wear mittens or gloves.
5. No individual wearing a skirt will be allowed to participate in events.
6. First, second, and third places will be awarded.

Transportation

Kids! There is no need of worrying how you will get to Greek Peak. Bus transportation will be available. Buses are scheduled to leave Saturday morning at 11:00 o'clock from in front of the main building. Your skis should be marked and tied together since they will be taken out by the college truck. They will be loaded by the main building and it is your responsibility to see they are put on and taken off the truck.

Buses will leave Greek Peak at 4:00 for the return trip to Cortland. If there is a need to return earlier due to "cold" feet, private cars will usually be available and glad to take you home.
